

IBM Ring 313—The John Fedko Ring hosts a

SWAP MEET

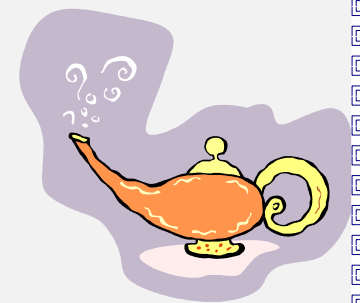

Tuesday, July 27, 2010

*The Irvine Ranch Water District headquarters
15600 Sand Canyon Drive, Irvine, CA*

Are you ready to trade in old lamps for new? It is time for the annual Swap Meet at IBM Ring 313—bargains and hot new items available for all who attend!

Set up begins at 6:00 pm; trading begins at 7:00 pm. Bring money and bring old magic lamps to trade for new ones.

Look in your closet; check the boxes in the garage. Do you remember that DVD or VHS tape you could not live without? It is still unopened—it is time to trade your magic for something new. How about the apparatus you purchased several years ago? You expected to become the next Blackstone with the effect—**yes that one**—bring it to the Swap meet. You can magically turn your treasure into cash. The Swap meet is **real** magic.

Someone at the Ring will fall in love with that illusion you stopped performing when Elvis was still the King of Rock and Roll. Come to the Swap meet and show us what you have for sale.

To participate please contact Kevin Brown, (949) 347-0305, or send a message to glyphman@cox.net and register your table. Tables are limited, first come, first served.
